Please provide a statement of 150 to 250 words using as your focus any or all of the following:

*Happiness, or the desire for happiness, is itself
an infallible sign of God's presence
... but the fact that the desire is never satisfied
keeps reminding us that there is something more
and 'this something more' is that uneasy feeling
that causes many people, if they listen to this invitation,
to go searching for a deeper meaning in life.*
