I especially enjoyed when the sisters were more involved and attended the meetings. They were able to give us a different perspective on religious life as compared to a lay person. The sisters kept it interesting. In recent years, due to health, I have had to limit my CSA associate ministry. My associate (CSA) membership is something I have treasured over the years. It is exciting that there is a jubilee celebration in June. Unfortunately, due to health reasons, I won't be able to attend the celebration.
