

In the midst of confusion, discord and uncertainty, many of us find prayer and quiet to be the solution. With this in mind, the Sisters and Associates of St. Agnes invite you to join us in contemplative prayer for peace in our hearts and respect for all people, races, religions and countries. On the last Sunday of each month, we will provide this opportunity to foster community through prayer, solidarity and presence. After an opening prayer, we will sit in silence to experience

the power of being together. Our first gathering is on Sunday, October 28, 6-7 p.m. in the St. Agnes Convent chapel at 320 County Road K, Fond du Lac, WI. Come, pray with us! Everyone is invited to attend this prayer experience. For more information, please call Chelsea Koenigs at 920.907.2300.
