

The Congregation of Sisters of St. Agnes received the following message from **Dr. John H. Jeter, President and CEO** of HAYSMED in Hays, KS:

The Hays Medical Center Foundation has established the **Sr. Mary J. Mollison Endowment** in recognition of the many years of dedication and leadership that Sr. Mary gave to St. Anthony Hospital and Hays Medical Center. The earnings distribution from the endowment shall be used to provide funding for health education at Hays Medical Center.

Sister Mary was instrumental in providing the foundation of a very successful healthcare facility in Hays and this fund will help keep her legacy alive. She will always be in the hearts and memories of those who knew her at Hays Medical Center. We extend our sympathy to the congregation and her family members.
