**Thoughts on Religious Life:**

“Looking back over 70 years of living as a member of CSA, it has been very difficult at times and at other times wonderful,” shared Sister Philip Neri Saller. “My life has been a marriage with the Lord and the church. As a young girl in school, I admired the sisters who were my teachers, they were so cheerful and they had such a high regard for one another. I wanted to be one of them when I grew up,” continued Sister Philip Neri.

Celebrating her 70<sup>th</sup> Jubilee, Sister Philip Neri attributes her success as an educator to the sisters she has been blessed to live and work with over the year. They have been wonderful. The daily prayer she carries in her heart is, “Thank God for every place I have served, and all the people I have been blessed to minister to and with.”
