Overview of positions held, locations, and dates where Sister Marianna has ministered:

God is so good to have called me to join the sisters of St. Agnes. I had the great ministry of being a teacher, principal, and Director of Religious Education in the Catholic School System for many years. I served in the states of Wisconsin, Indiana, Pennsylvania, Illinois, Texas, New York, Alabama and Arizona.

Prior to returning to Fond du Lac, I taught at the San Xavier Mission School and Santa Cruz School in Tucson, Arizona, as well as serving as a licensed nursing assistant in three adult care homes.

Thoughts on Religious Life:

God is so good to have guided me to St. Francis Home where I began my mission as an activity aide and a certified nursing assistant, 8 years ago, November 20th, 2000. This is Gift to me as I believe we are God's children, journeying through this life with a mission until mission accomplished, we arrive at our destination, our new forever life in HEAVEN! I've been privileged to see people at St. Francis Home arrive at their destination.

I am indebted to and grateful to my community, the Sisters of St. Agnes, for all the opportunities, guidance and support given to me as I fulfilled my mission through the years. God is Faithful, and I am thankful for the Gift of daily prayer, Mass and Holy Communion to nourish and strengthen me on my journey through each day.
