*Thoughts on Religious Life:*

*As a young girl, I was impressed by the Sisters of St. Agnes who taught in our school. Very early, I knew I wanted to be like them. When I went to high school, I went every year to the annual novena to St. Anne, mother of Mary. One day my mother asked me why I went. I said because my friend went to the novena. Mom suggested I pray to St. Anne to know my vocation. Later on when I actually entered the convent, it was on July 26 - the feast of St. Anne, I remembered my mother's words and felt they were inspired. I have never regretted a day of my life as a Sister of St. Agnes.*
