*Thoughts on Religious Life:*

*With several relatives who were Sisters and the Sisters of St. Agnes as teachers, it was natural for me to be drawn to religious life. I knew the Sisters of St. Agnes best and felt comfortable with them. My parents were delighted and proud to have a daughter in the convent. Prayer has always been an important part of my life. I was drawn by the calmness and peace I saw in the Sisters. I have been happy with my choice to follow Christ.*
