*Has been a joy and blessing to be a member of the Congregation of St. Agnes, serving the global Church in Latin American and the U.S.A.*

*My experience here in the United States, especially in the southwest-Tucson, Arizona- where I presently minister, has been enriched through the years by the diversity of culture. Being able to share my talents and gifts with those who are in need is rewarding. I give thanks to God, my CSA community family and friends for all the support.*
