For a number of years, I was blessed to serve in parishes as Director of the RCIA Program, as well as Director of the Religious Educational Program for the children. It was indeed a very fulfilling means to bring families closer to God. Truly, it was God's gift to me!

CHILD OF LOVE

Look inside, and see the great potential
Taking pride in each accomplishment.
The road ahead is full of rain and rainbows
Softly tread, with encouragement.

How they bring smiles to our faces
Laughter rings throughout their golden days.
Touching hearts in the deepest places
Love imparts in their precious ways.

Chorus: We all can choose what we're to see
The roses or the thorns, it's up to me.
So many lives, are richer everyday
Because a certain child of love was sent our way.

Time, it seems, has a way of knowing
Hopes and dreams as old familiar friends.
Never let their tender years of growing
Cause regret, when at last the journey ends.
