**Thoughts on Religious Life:**

Sister Ancilla shared that she thought a vocation was a mystery but noted that she had been taught by the Sisters of St. Agnes as a young student. Her parents had also been educated by CSA sisters. She explained that she thought that this contact with CSA sisters influenced her to want to become a sister herself. During her employment years, Sister Ancilla noted that she served as a surgical nurse at St. Agnes Hospital in Fond du Lac for 27 years which is now followed by the volunteer services she provides at St. Francis Home in Fond du Lac.
