

Sister Beatrice Fond du Lac, WI

There is a saying which states to sing is to pray twice and Sister Bea Lindsay has been singing since childhood. Her beautiful voice can be heard leading the members of CSA at special liturgies and on Sundays at the motherhouse chapel.

"Early on in my life I had an interest in liturgy planning. Over the years I have taken classes in liturgical music and Gregorian chant, and attended conferences on liturgy planning. For the past eight years I have served as the Coordinator for Liturgy for the CSA motherhouse.

I believe providing a prayerful and meaningful experience is important and valued," shared Sister Bea. "Music can bring people to another place in their prayer and reflection. It can unite a community of worshipers and it can inspire."

"I began singing in my childhood; I attended Mass everyday and sang in the choir. I sang for weddings and funerals through our Catholic grade school. Music has always fed my soul.

In addition to her role as a liturgist for CSA, Sister Bea enjoys singing in the Holy Family Parish choir, the South Shore Chorale community choir, and playing and teaching the guitar.

Previous to her present volunteer position, Sister Bea taught for 3 years.
