

Sister Clare Romeoville, IL

Sister Clare is part of the faculty of Lewis University in Romeoville, IL.

Dr. Clare~ As a member of the Psychology Department I teach college and graduate students a wide range of topics such as: research methods, child development, adolescent therapy, play therapy, ethnic identity, and liberation psychology. Ministering in higher education can be challenging but I do influence my students and colleagues. I find they are often open to new ideas, including their spiritual growth.
