

Sister Marilyn Meridian, MS

Sister Marilyn lives and ministers in Meridian, Mississippi. She is a Pastoral Associate at Catholic Community of Meridian/St. Joseph & St. Patrick.

“In my ministry I am doing what I like to do, teaching and having administrative responsibilities. I enjoy leading the RCIA process, which is teaching and guiding people in our Catholic faith. I mentor and assist catechists in the religious education program and sacramental preparation. This assistance is both in teaching activities, retreats and prayer services.

In the Protection of Children program, my administrative and organizational abilities are used. With the help of the parish secretary and bookkeeper, we make a team and accomplish our task. In both the RCIA and POC, people have shared their life experiences and have grown in trust in sharing their faith journey with me. My work is a blessing, I am blessed with the opportunity to serve and grow.”
