We are women who have responded to God's call to live the evangelical counsels of celibate chastity, poverty and obedience. Our life in community supports both our spiritual life and ministry. "We envision community to be a sign of the presence of Christ among us and a source of great apostolic power." (CSA Constitutions, 39)

We are women who live, love, and labor in 18 states throughout the United States and in two countries in Latin America. We envision ourselves as joyful witnesses of the risen Christ and respond to life with wholeheartedness and joy. We are women who collaborate with associate members who believe in our charism and who also commit themselves wholeheartedly to our mission.

We are women committed to ministries that respond to the Church's call to hear the cry of the poor, following Jesus whose mission was to bring glad tidings to the poor, to heal the brokenhearted, to proclaim liberty to captives and release to prisoners." (Luke 4:18) We minister in the areas of education, healthcare, pastoral ministry and social service.

Is Religious Life for You?

Are you between the ages of 21 and 45?

Do you want to promote justice for the economically poor?

Do you want to further the role of women in Church and society?

Do you want to promote systemic change?

Affiliate:

This is a time of discernment during which you begin to look at your call to religious life and to the Sisters of St. Agnes. It is a time to probe our lifestyle and learn about who we are as women religious in the Church today.

You continue to live in your current residence and work at your current occupation. You affiliate with a community of sisters, one of whom is available to meet with you every six to eight weeks. These sisters offer hospitality and invite you to activities which help you get to know us better. The affiliate period is generally six months to two years.

Pre-Novitiate:

During the pre-novitiate time, which generally lasts one to two years, you experience life in CSA by living with us in a local community. You are part of the everyday life of the community while remaining financially independent.

Novitiate:

The novitiate, a two-year process, is a time to discern more clearly the call to life as a Sister of St. Agnes. Through prayer, worship, and study you continue to become more deeply incorporated into the life of CSA.

Temporary Profession:

Following the novitiate, for three to six years, you are a temporarily professed sister. This is a time to continue to grow in your integration of religious life.
