STORIES FROM MINISTRY

Every day as Campus Minister I am re-committed to my commitment as a vowed woman religious. When I interact with students, and they look to me for directions and call me Sister I love what I am doing.

A BLESSING TO SHARE

Being part of a forward-thinking community is a blessing to me. Knowing that we care for others and the Earth in such profound ways gives me pause to celebrate being part of CSA.

HOW CSA CHARISM INSPIRES ME

It inspires me to want to be a better person in my relationships in and out of CSA. It inspires me to be hospitable and gracious for those in my life.
