Your Story of Sister Julia

A BLESSING TO SHARE

What a blessing to celebrate this 70th jubilee! My life as a Sister of St. Agnes has been happy and filled with blessings. I enjoyed ministering in so many different places where I loved helping the children. My heart is filled with gratitude for all the joyful memories as well as the challenges. Both the joys and the challenges shaped my life and helped me grow in my commitment as a woman religious. God has blessed me and has been my strength through it all.
