

# Psalms 149

Praise God!

Sing a new song,

praise the Holy One wherever the faithful gather.

Let Israel rejoice in its Maker,

the children of Zion exult in the Source of Hope.

Praise God's name with dancing.

make melodies with the drum and the harp.

For you take pleasure in your people,

beautifying the humble with salvation.

The faithful exult in your glory,

your splendor is known to all who love you-

Praise God!
