

Chapter 2017

We, the Sisters of St. Agnes,
grounded in a contemplative heart,
God's mission and our charism,
embrace with courage our call to articulate
the identity of CSA as it interweaves
with the reality of the 21st century.

We face our future with
honesty and hope
as the congregation engages in

Incarnating
what we profess

Exploring
fulfillment, evolution, and vision

Strengthening
mutual relationships between
and within Nicaragua/ USA

Creating
transformative structures
of governance

Guiding
decisions regarding the
stewardship of resources
