STORIES FROM MINISTRY

In Chicago, I was walking to the bus when two boys confronted me saying they had a gun and they wanted money. I knew I was close to the rectory and passersby recognized me. I said, "Do you really want to get into deep trouble for a little bit of money in front of a Church?" I hoped they wouldn't shoot me in the back. Then they said, "We really don't have a gun and you're a nice old lady." They walked across the street and shouted, "Thank you!" to me!

WORDS OF ADVICE

Treat others as you would like to be treated. There is a wideness in God's mercy.

A BLESSING TO SHARE

I am grateful for all of the experiences I have had with travel, meeting all kinds of people and cultures, and the ability to share CSA with them.

HOW CSA CHARISM INSPIRES ME

Our commitment to those whose faith life or human dignity is threatened in any way and its expansion into continuous ramifications is deep in my soul.
