EDUCATION & VOLUNTEERING

Since becoming an associate: Lectoring at daily Mass at St. Francis Home chapel and sending associate birthday cards. For several years after moving to Fond du Lac, I did RCIA volunteering at Holy Family Parish and still support them. Pre-2007 I did lots of volunteer and paid work for handicapped and their families, and RCIA with my husband.

A BLESSING TO SHARE

My family's blessing was my son Peter who had Down Syndrome (IQ about 50). He inspired us all to volunteer work with handicapped people.

WHAT DREW ME TO THE ASSOCIATE RELATIONSHIP

My two CSA sisters: Sisters Mary Frances Schug and Emily Schug. Going to Sacred Heart Grammar & High Schools with CSA teachers in Yonkers, NY. Graduated from Sacred Heart High School in 1942.

WHAT IT MEANS TO BE CELEBRATING JUBILEE AS AN ASSOCIATE OF CSA

I'm very glad to spend my last years in Fond du Lac close to the Sisters (at St. Clare Terrace). Volunteer work now limited to lectoring at Mass and sending associate birthday cards.
