A BLESSING TO SHARE

It has been a blessing to get the chance to meet so many sisters and associates from all across the United States. To be able to share stories with them in a judge-free environment. I can share being an associate with my mom who became an associate the same day.

WHAT IT MEANS TO BE CELEBRATING JUBILEE AS AN ASSOCIATE OF CSA

It is a great honor. Hard to believe that 15 years have gone by. I get to celebrate it with both of my parents. COVID almost took my mom but as my brother said she is too stubborn to die. So we get to do this together.
