STORIES FROM MINISTRY

I am grateful for my life as a Sister in the CSA congregation. I entered quite young but as I matured, I learned a lot from the witness of the Sisters around me. May God continue to bless all of my family, friends, and CSA.

WORDS OF ADVICE

To advance the CSA mission one must read and be open to new ideas and take time to be grateful and participate in the daily practice of prayer and accept new insights that the Holy Spirit offers.

A BLESSING TO SHARE

A blessing that I would like to share is the acceptance and participation of our associates as they carry on our mission in witnessing God's love to us and all the world.

HOW CSA CHARISM INSPIRES ME

The CSA charism inspires me to go forward in loving the world as our early Sisters did.
