## WORDS OF ADVICE

Some of my students from Two Rivers and Beloit have become teachers because of my influence. You never know whose lives you touch.

## A BLESSING TO SHARE

The blessing of a large family that was able to step in and care for the rest of the children after I left for the convent.

## HOW CSA CHARISM INSPIRES ME

Our charism of hospitality continues to show itself by the way we treat visitors and welcome them to our facility.
