WHAT DREW ME TO THE ASSOCIATE RELATIONSHIP

Upon relocating to Fond du Lac and becoming part of a local parish folk choir, I came to know several CSA Sisters who had joined the group, one of whom was Sister Anne Jude. She invited a number of members to join the CSA Associate Relationship. Our group sang for the associate first commitments for a number of years and little by little the Spirit moved me to finally make the commitment myself. It was one of the best decisions of my life.
