EDUCATION

Earned a BS In Elementary Education and taught for 13 years. Further study resulted in a Master’s in Social Work and Gerontology. Forty-one years of serving the poor, and many as Executive Director of Tarboro Community Outreach, proved a love journey where no two days are the same! Sheltering the homeless, feeding the hungry, clothing those in need, and working with prisoners fills each day with a sense of the sacred and wonderment. How blessed it is to touch the lives of others! How blessed to receive their love!

STORIES FROM MINISTRY

Sharing gratitude, joy, fear, understanding and dreams with others gives meaning to each moment of living!

WORDS OF ADVICE

Listen to the workings of the Spirit in meditation.

A BLESSING TO SHARE

I remain grateful to Sister Carmel Meyer. Her influence enabled me to understand the sacredness of life, value of communication, and the responsibilities of leadership. They have been lifelong lessons!

HOW CSA CHARISM INSPIRES ME

The give and take of life itself, amidst so much beauty, continuously provides me with energy and creativity to confront situations at hand. Believe in love! Believe in sharing!
