### STORIES FROM MINISTRY

As a Sister of St. Agnes, I've had a wide variety of experiences that exposed me to many cultures. In between my summers of graduate school, I volunteered at the Dumas Weasley Methodist Center in Mobile, Alabama. I also spent time volunteering at the Marillac House in Chicago while attending workshops at the 8th Day Center for Justice in Chicago. Spending a summer working with S. Jean Brenner at Contera in Nicaragua was a total delight. Over the years I've worked with rich and poor alike. I've thoroughly enjoyed working with people from a wide variety of backgrounds. It has been a great life.
