WORDS OF ADVICE

Cultivate a deep faith in and appreciation for the Holy Eucharist. Jesus told us the greatest love one can express is to lay down one's life for another. That is what Jesus did for every single person ever created. To advance CSA's mission, one must be willing to sacrifice his or her own life for every other person who comes into his or her life, "love your neighbor as yourself." Reflect upon the love you would express to every man, woman, and child for whom you would be willing to sacrifice *your* life.

A BLESSING TO SHARE

I have been blessed with a generous share of intelligence the extent that I have managed to maintain an A average achievement throughout my years in primary, secondary, college, and post-college education.

HOW CSA CHARISM INSPIRES ME

Throughout all my years as a student in grade school, high school, and college with CSA instructors I have experienced the power and wisdom imparted through the CSA charism, and I realize the extent of those gifts with which I have been blessed or an instructor blessed by that charism.
