A BLESSING TO SHARE

I have been blessed in so many ways over the years! Jesus loves me, my guardian angel is my best friend, especially on trips. God has given me food, health, a fantastic family; mother, father, 6 sisters. He gave me 2 biological children and 3 stepchildren, 5 grandchildren and 5 great grands. God led me to become an associate where I have met many wonderful, intelligent, caring people. I have been blessed with good health so I can get myself up each day and go where I need to go. I have faith, family, friends and usually have enough energy to share time with others. And I love to sing and have been blessed with the ability to carry a tune!!!
