Missionaries of Charity of Mary Immaculate
Waspam, Río Coco
R.A.A.N., Nicaragua

Dear Sisters,

Greetings from the Congregation of Sisters of St. Agnes. We are grateful for your presence here in Waspam. Your commitment continues the grace-filled work in which the Sisters of St. Agnes have had the privilege of serving these past 73 years. Though there have been challenges, the blessings, through the grace of God, have always out-weighed the difficulties. So many lives have touched our lives. The works of education, health care and parish ministry have brought blessings to our community. As our Constitutions state, "We participate in the mission of Jesus Christ through teaching, healing, and related ministries, aware that we, too, are among the needy and are enriched by those we serve."

We ask God's blessing on your congregation, the Missionaries of Charity of Mary Immaculate, as you assume the roles of leadership at Colegio Santa Inés and Clínica Santa Inés. The work in Waspam and along the Río Coco is work closely connected to the heart of Jesus who in his life took special care to teach and heal in all his encounters. We promise to keep you and your service in our prayers and ask that you pray for the on-going work of the Sisters of St. Agnes.

With every good wish for God's grace and blessings, I remain

Sincerely yours in the peace and love of Christ,

Sister Jean Steffes, CSA
